

Attention! After School Sport Athletes

As we enter a new year, we are excited to get the ball rolling! The athletic department assesses each player a participation fee of \$40. The Association of Officials raise their services each year, therefore raising the cost for after-school athletics. Each athlete should turn his/her check in before the first game along with all their paperwork.

Please fill the paperwork out as soon as possible. All paperwork must be turned into the coach before the first game or the student will not play.

The past couple of years we have also enforced a grading/classroom behavior criteria. Each student must keep their grades up (see handbook), or Coach Z or Coach Kolbe will inform the student athlete that he/she cannot participate in their sport until the teacher is satisfied with the students progress either behaviorally or academically.

We also ask each of our participants and their parents to sign below stating that they have received a uniform. The players and parents agree by signing, to return all uniforms in their entirety, in satisfactory condition, within one week of the season's end. If uniforms are not turned in a replacement fee will be assessed.

We have read and turned in our fee with this form.
